

SELLER'S CHECKLIST

Prior to Closing:

- Provide Providence Title Company with current loan company information, so a payoff statement can be ordered from your lender. If your property is subject to dues by homeowners association provide name and phone number of the association.
- Review, complete and return to your escrow officer, Providence Title Company's Privacy Policy and Release of Information Acknowledgement form. This form allows us to begin the process of completing your real estate transaction.
- Provide documentation of any change in marital status (divorce, marriage, death) during current ownership.
- In the event you will not be present to sign documents at closing, and are planning to use a power of attorney for signature of legal documents, have the power of attorney approved by Providence Title Company prior to dosing.

Required at Closing:

- Driver's license or other photo identification.
- Social security number
- Bring extra house keys, garage door openers, warranties or operational manuals for appliances (heating, AC, stoves, etc.) to transfer to the buyer.

Avoiding Closing Delays:

- The lenders and title insurers require single owners who have married during the course of ownership of the property, to have their spouse join in signing the documents at closing.
- Cancel your homeowners insurance with your insurance agent if you are moving from the property at dosing. If you are remaining at the property after dosing, you should notify your agent of this change.

Prior to Closing:

- Your lender will refund all monies left in your escrow account approximately 15 to 30 business days after they receive the payoff funds. The lender will mail a package containing your original promissory note marked 'PAID' and other loan file documents. Retain these for future reference. They may also include a release of lien document. This document needs to be recorded with the county clerk's office to remove the lien of record.
- Your closing statement serves as a substitute form 1099 for tax purposes.
