

CLOSE IN THE SAFETY AND CONVENIENCE OF YOUR HOME

Providence Title's Remote Ink-Signed Notarization (RIN) solution delivers all the benefits of an in-person signing from the convenience and safety of your home.

Your closing is important to us and the professionals who have helped you get this far. By combining an online signing session, a licensed notary, and a quick exchange of the closing documents, we will provide a safe and convenient closing experience that is personal to you.

IN THREE SIMPLE STEPS YOU WILL:

Step 1: Receive a Closing Package

Complete closing package will be delivered to you prior to the remote signing session. Available options may include personal pick up at our location, same day delivery by courier, or overnight delivery via Fed-Ex.

Step 2: Sign Documents via Online Session

A notary will present the closing documents to you during a live and recorded webinar session. Once signed, you will place the documents in a sealed envelope that we provide.

Step 3: The Closing Documents are Returned

On the same day that documents are signed, documents will be returned by direct drop-off, courier, or placed in a Fed-Ex box for next business day delivery to the notary.
